AT THE SHOE OPPORTUNITY of the Year!

A common way of conducting shoe sales is to buy odds and ends of uncertain or poor shoes to work off during the sale. This plan may get the people's money once, but the shoes they buy will keep reminding them not to go back. Our Plan Is Different.

We give you the choice from the best Shoe on the market at Cut Rates rather than to carry them over until next season.

When a man can get "Ralston" \$4.00 Shoes for \$3.39, "Snow" \$5.00 Shoes for \$3.89, "Reed" \$4.00 Shoes for \$3.19, it is his opportunity, and the men are taking advantage of this opportunity as never before.

Women's "Herrick" Union Stamped Shoes that were \$3.50, now \$2.79
Misses' Cloth Top Button Shoes that were \$2.50, now \$1.98

Boys' High Cut Shoes that were \$2.50, now \$1.79
Youths' High Cut Shoes with buckles, from \$1.39 to \$1.79

Don't let this opportunity of the year pass without getting a benefit from it.
